## Pet Policy Form

**We are pleased to welcome you and your dog to the FogCatcher Inn. To ensure your dog's safety and comfort during your stay, please review and sign our Pet Policy.**

- Your dog is also our guest. All dogs at the FogCatcher Inn must be registered.
- There is a **\$75 plus tax non-refundable fee** per stay for having your dog in your room. This fee is per room and not per pet. This fee will be charged to your account prior to checkout.
- We allow a maximum of two well-behaved dogs (*sorry, no cats*). We also reserve the right to refuse housing to any dog at our sole discretion for any reason. Other pets are considered on a case by case basis and are accepted at the discretion of the management team.
- Dogs may not be left unattended anywhere on the property. Never leave your dog alone inside your guest room. While outside of your guest room, please make sure your dog is on a leash at all times.
- A dog in an unfamiliar environment may occasionally bark. Please quiet an excited pet as soon as possible. You may be required to leave if repeated barking complaints are received from other guests
- A dog bowl and treat are provided for your pet upon arrival. Please do not let your dog up on the bed or furniture, thank you.
- Dogs are not permitted inside of our breakfast room per county health codes. During breakfast is the only time that your dog may be left in your room granted your "Do-Not-Disturb" or "Pet in Room" sign is on your door. If you bring your furry friend to breakfast, there are tables and seating located just outside the breakfast room for you to enjoy your breakfast with them. Service animals only permitted inside breakfast room.
- Unfortunately, pets are not allowed in the pool/spa area per county health code.
- Please clean up after your pet and dispose of waste properly and in a timely manner. A pet station is located in front of the 100 building if you need clean up bags.
- Pets must be clean of fleas, ticks or other pests. Current vaccination certificates may be requested as deemed necessary by the management.
- You are responsible for any property damage, cleaning costs, personal injury, pest control, or noise disturbance caused by your pet. You agree to indemnify and hold harmless the hotel, its owners, and its operator for any claim, demand, or judgment associated in any way with damages attributable to your pet. The hotel reserves the right to charge your account commensurate with the estimated cost of such damages. If your pet has a urine or stool accident the cleaning charge is \$250.00.
